Dear Father Flore:

On March 18, 2010, Department staff inspected the HOLY TRINITY MONASTERY facility to determine compliance with New York State's PBS regulations. The following violations were identified during that inspection and need your immediate attention to bring your facility into compliance. Citations to the applicable regulations are noted in brackets and pertain to the tank(s) that is listed. NYSDEC PBS regulations are available on-line. An internet address for the PBS regulations is listed at the end of this letter for your reference.

The law requires that you comply fully with the PBS regulations. You must correct all of the violations noted
